

1st NATIONAL APPRAISAL SOURCE

HIGHLIGHTS

ON TIME

98% or more of our appraisals are delivered on-time or earlier.

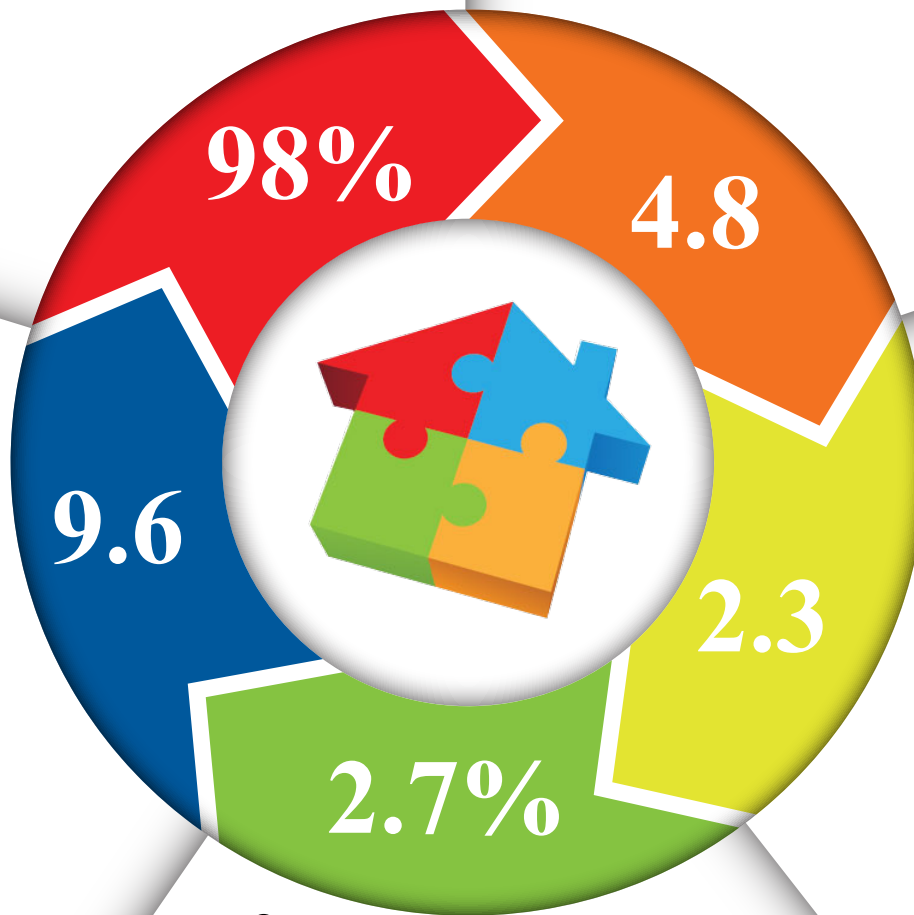

The number of business days it takes for a report to be completed and returned to our client.

AVERAGE TURN TIME

The average distance in miles that our appraisers are located from the properties they are appraising, ensuring geographic competency.

AVERAGE APPRAISER DISTANCE

Our Collateral Underwriter (CU) score indicates high accuracy of report data vs. previously reported information on the property.

CU SCORE

VALUATION ACCURACY

Only 2.7% of our completed orders have undergone a value dispute.
